MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The accompanying consolidated financial statements of the Coldwater Indian Band (the "Band") are the responsibility of management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of The Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Band's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Chief and Council meet with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Band. The accompanying Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Band's consolidated financial statements.

AUDITORS' REPORT

To the Members of Coldwater Indian Band

We have audited the consolidated statement of financial position of Coldwater Indian Band (the "Band") as at March 31, 2015 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Band's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Band's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis for Qualified Opinion

As noted in note 1(g) to the consolidated financial statements, the social housing tangible capital assets are required by Canada Mortgage and Housing Corporation to be amortized at a rate equivalent to the annual principal reduction of the related long-term debt. This amortization policy is not in accordance with Canadian public sector accounting standards, which require that tangible capital assets be amortized over their estimated useful lives. The effect of this departure would affect the net book value of the tangible capital assets and the related equity in capital assets and amortization expense in the statement of operations. It is impracticable to provide this information in the auditors' report.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Band as at March 31, 2015 and its consolidated results of operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

COLDWATER INDIAN BAND

Notes to Consolidated Financial Statements

Year ended March 31, 2015

Coldwater Indian Band (the "Band") provides local government, education, housing and social development services to its members. The Band was organized under the Indian Act of Canada.

1. Basis of presentation and significant accounting policies:

These consolidated financial statements include the assets, liabilities and results of operations of the Band and all related entities and organizations subject to control by the Band Council. The consolidated financial statements of the Band are prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada, which encompasses the following principles:

(a) Fund accounting:

The Band records accounting transactions using the fund accounting method. A fund is determined for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. The various funds have been amalgamated for the purpose of presentation in the consolidated financial statements. Details of the operations of each fund are set out in the supplementary schedules. The Band maintains the following funds:

The Operating Fund which reports the general activities of the Band Administration.

The Capital Projects Fund which reports the capital assets of the Band, together with their related financing.

The Ottawa Trust Fund which reports the trust funds owned by the Band and held by third parties.

(b) Basis of consolidation:

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of a government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis (note 8). Inter-organizational balances and transactions are eliminated upon consolidation. The reporting entity is comprised of all funds of the Band, segregated into Operating, Capital Projects, and Ottawa Trust funds. Organizations consolidated in the Band's financial statements include:

(i) Coldwater Housing Management, consisting of the non-incorporated entities Coldwater Housing Management Post-1997 and Coldwater Housing Management Pre-1997

(ii) Coldwater Projects, a non-incorporated entity

(iii) Coldwater Developments Inc., an incorporated entity

COLDWATER INDIAN BAND

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2015

1. Basis of presentation and significant accounting policies (continued):

(b) Basis of consolidation (continued):

Investments in activities that the Band does not control individually or jointly are recorded at cost. Investments in Government Business Enterprises are recorded using the modified equity method.

(c) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements and contracts. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the summary statement of financial position.

Interest is recognized as earned.

Rental revenue is recognized when a tenant commences occupancy and rent is due. The Band retains all benefits and risks of ownership of its property and, therefore, accounts for leases with its tenants as operating leases.

Taxation revenue is recognized in the period in which the taxes are levied.

Other revenue, including the sale of goods and provision of services are recognized in the period the goods or services are provided.

(d) Restricted cash:

Restricted cash represents amounts reserved either internally or by statute for specific future purposes.

(e) Investments:

The Band accounts for its investments in 543454 B.C. Ltd., Stuwix Resources Joint Venture and Stuwix Resources Ltd. using the modified equity method. Under this method the cost of the investment is adjusted by earnings or losses of the entities from the date of acquisition. Any losses in excess of equity invested are not recorded as this would create a negative investment balance. In such circumstances, no income inclusion would be recorded until these unrecognized losses have been eliminated.

Other investments are recorded on a cost basis.

COLDWATER INDIAN BAND

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2015

1. Basis of presentation and significant accounting policies (continued):

(f) Deferred revenue:

Deferred revenue represents grants and other fees which have been collected, but for which the related expenses or services have yet to be incurred or performed. These amounts will be recognized as revenues in the fiscal year the services are performed or related expenditures incurred.

(g) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed tangible capital assets are recorded at fair value at the time of the donation with a corresponding amount recorded as revenue. Expenses for repairs and maintenance that do not materially add to the useful life or service potential of the asset are not capitalized, but expensed as incurred. The cost, less residual value, of the tangible capital assets, excluding land, are amortized over their estimated useful lives as follows:

Asset	Basis	Rate
Computer equipment	Straight-line	33%
Building	Straight-line	5%
Equipment	Declining balance	30%
Automotive	Straight-line	30%
Land improvements	Straight-line	5%

Amortization is not provided on building, furniture, and equipment purchased from loans recognized by Canada Mortgage and Housing Corporation ("CMHC") over the estimated useful lives of these assets but rather at a rate equal to the annual principal reduction of the mortgages to comply with the operating agreement with CMHC. A reserve for future capital replacement is appropriated annually from operations and capital assets purchased from the replacement reserve are charged against the replacement reserve account, rather than being capitalized on the balance sheet and amortized over their estimated useful lives.

Additions during the year have been amortized at one-half the above annual rates. Assets under construction are not amortized until the asset is available for productive use. When a tangible capital asset no longer contributes to the Band's ability to provide services, its carrying amount is written down to its residual value.

COLDWATER INDIAN BAND

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2015

1. Basis of presentation and significant accounting policies (continued):

(h) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating provisions for accounts payable and accrued liabilities, and the recoverable amount of accounts receivable and investments.

Actual results could differ from these estimates.

(i) Financial instruments:

Unless otherwise noted, it is management's opinion that the Band is not exposed to significant interest, currency, or credit risks arising from financial instruments. The fair values of financial instruments approximate their carrying values, unless otherwise noted.

(j) Pension plan:

The Band contributes to a private defined contribution pension plan. Contributions are expensed as incurred.

2. Cash:

Impact Benefits fund	819,048	438,066
	<u>\$ 3,154,228</u>	<u>\$ 2,634,244</u>

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the *Indian Act*. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. These funds are restricted in their use. The Band is permitted to use its revenue for any purpose that will promote the general progress and welfare of the Band and Band members. The expenses of capital funds requires the consent of Aboriginal Affairs and Northern Development Canada ("AANDC") and generally must be for projects of a capital nature. Withdrawals of revenue of capital funds are recorded as revenue in the applicable fund where the monies are expended.

The Housing restricted cash is derived under the terms of the agreement with CMHC, the account is to be credited annually. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may be approved by CMHC from time to time.

The FRO Capital Reserve funds arise under the First Nations agreement for harvesting and sale of timber under FRO forest tenures. The balance is the proceeds from the sale of timber harvested under Smallwood and non-Smallwood licenses. The Band's percentage share of proceeds from Smallwood licenses is set out as 35.3%, and from non-Smallwood licenses as 47.5%.

The Impact Benefits funds arise from a participation agreement and economic and community development agreement with Teck Highland Valley Copper Partnership to assist in the education, training and capacity of the Band, and intended to provide community development benefits. The Band's percentage share of the settlement distributions from the Teck Highland Valley Copper Partnership is determined at 4.52%.
